

## HIGHLIGHTS OF PROPOSED BUDGET FOR FISCAL YEAR 2020

This year budget focuses on building a more dynamic and stronger SSC thru the 4 development pillars that is anchored on the delivery of excellent academic services, engage in research development and extension, resource generation and management and contribution to socio economic development in Sulu.

Albeit for this Fiscal year 2019, we witness a cut-down in our budget--more specifically our MOOE and Capital Outlay, under the able leadership of our College –President Dr. Charisma S. Hopefully, with this year meager budgetary allocation, the Sulu State College will maintain its vigour to sustainably serve – most especially the marginalized, and underserved Tausug community in the Province of Sulu.

Again we appeal the National government amidst financial crisis of the country, to increase economic pie share--especially the peripheral areas such as Sulu Province belonging to the poorest of the poor area by way of providing their educational institution a reasonable budget allocation thus allowing them to sustain their quality services in the field of instruction, research and extension.
