# SULU STATE COLLEGE

# ANNUAL REPORT 2020

# Readership

WE, THE SULU STATE COLLEGE, THROUGH THE JOURNEY OF ACHIEVING HIGH QUALITY RESULT, NEVER CEASES TO LOOK FOR POSSIBILITIES OF IMPROVEMENT. THROUGH THE PAGES OF THIS ISSUE, THE HARD WORK AND THE DEDICATION OF THIS PEOPLE BEHIND THE EMINENT SUCCESS OF THIS INSTITUTION ARE EVIDENT. THE MILESTONE ARE ONLY BUT PAUSES BUT NOT THE DESTINATION. THE ONLY LIMIT AS TO WHAT WE CAN ACHIEVE ARE THE ONES WE IMPOSE ON OURSELVES. LEADERSHIP IN WHICH THE PEOPLE ARE AT THE CORE, AND THE HEART OF THE WORKS ARE THE PRIME KEYS IN ACHIEVING HIGH QUALITY RESULTS. ALL THE THANKS TO THE PEOPLE BEHIND THIS YEAR'S SUCCESS.

## Leadership Development Program for Higher Education Institution in Southeast Asia

January 13-17, 2020

# EXECUTIVE SUMMARY

The Sulu State College embarks its new academic year with pride and joy that we have made the year 2020 as the year of wonders and possibilities. Our year 2020 is full of inspiring and amazing stories which helped us accomplished a lot of things that contributed to our goal to excellence. The administration aims of doing more in the future that will benefit not only the institution but the province, the region and the country as well. As we envision to be the Center of Excellence in BARMM, and to successfully produce globally competitive graduates and to become an institutional steward in the development of the region, we our slowly making this all possible with all the strategies and plans that we have in mind which are translated into actions through the help of every SSCians.

As we continue to sustain the academe, we have learned methods to cope with the new normal and also continue our programs through virtual ceremonies. We successfully conducted all commencement exercises, the first virtual ceremony for the graduates of class of 2020 last June 05, 2020. The graduates and their families were able to witness this at the comfort of their homes via Facebook live. Our continuous efforts to provide avenue that will cater the student’s needs including conducting ceremonies to celebrate the years of hard work during college.

Partnerships between Sulu State College and other stakeholders have never been strong as we continue to live with the coronavirus pandemic. The Sulu Airforce team distributed utilized garbage can to Sulu State College as partnership as part of sanitary projects to help lean the environment. TESDA programs which aims to strengthen the agriculture programs, envision SSC to be a trailblazer in modernizing agriculture and an effective partner in governance.

We are further empowered by our collaboration with agencies, for our main source of work lies from the needs and the demands of the stakeholders. The Sulu State College is grateful for the efforts and trust to promote the community, and the people of Sulu as one.

The Sulu State College armed with the new normal competencies, has prepared and created an online platform to make students registration for enrollment process easier and accessible, and of course the Sulu State college will always be at the forefront of the prime movers of the province. The pandemic will not hinder our endeavors towards success and productivity. Our College continued what it has been accustomed with while observing and still coped with the safety protocols for the new normal.

Just like all other institutions we have faced challenges in coping with the new normal. Seminars became webinars which made it more challenging, but with the grace of the Almighty Allah, we have successfully made it and continues to meet excellence and conducted a total of 90 online trainings and webinars via zoom meetings, and honored by the SEAMEO SEARCA for the Leadership Development Program for Higher Education Institutions in Southeast Asia.

04 Distributed 300 COCONUT to SSC personnel/faculty.

## RESPONSE TO COVID-19

## MOVING-UP CLASS OF 2020

The first virtual graduation ceremony in Sulu was made feasible by the Sulu State College due to the compromises as effect of the community quarantine. The virtual graduation, in partnership with the ABS-CBN last June 5, 2021, was an initiative of the college to celebrate batch 2020 graduates while following the New Normal set-up. The celebration and the recognition of the hard work of our students should be one of our top priorities to build a stronger community.

# TOASTMASTERS CLUB

**SULU STATE COLLEGE  
TOASTMASTERS CLUB**  
Charter Presentation &  
Installation of Officers

## Charter Presentation and installation of Officers: SSC's Dream turn into Reality

*Dreams do come true when you believe in it. The Sulu State College Toasmaters Club (SSCTMC) started with a dream. With the strong passion to make it happen, the people behind the club, led by Dr. Charisma S. Ututalum, worked hard for it. Eventually, the day has arrived when the club has been publicly recognized. The SSCTMC charter has been officially presented on November 14, 2020. Also, another portion of the event was the installation of the club officers where the duties and responsibilities of each have been stated. Special guests were present during the event, Congressman Koko Nograles and International Director Dotty Du.*

*To the Sulu State College, this is one of its pride as it is the first time in the history of Sulu province to have a Toastmasters International Club. Indeed, everything is possible to happen if we just keep believing in it while doing our best to reach it.*

## PRODUCTION OF MODULES ON TAUSUG CULTURE AND TRADITIONAL PRACTICES

Sulu State College is an advocate of peace and development. One way to implement this is through the approved Php 1 Million CHED HECBOL project entitled "Production of Modules on Tausug Culture and Traditional Practices". Other objectives of the project are the following; (1) develop learning materials for Bangsamoro Autonomous Region in Muslim Mindanano (BARMM);(2) produce materials about one of the cultures in BARMM, which is Tausug culture. (3) train college instructors in making modules about Tausug culture and traditional practices.
